

What is Alumni Association + Placement Cell

INTRODUCTION

The Alumni Association of Sinhgad College of Architecture was established on the 14th of June, 2004, the same day as the very first batch entered the final year of B. Arch. course. From 2005 to 2022, a total of eighteen batches graduated from SCOA. Post-graduation departments, M. Arch (Architectural Conservation) and M. Arch (Computer Applications) were started in the years 2005 and 2006 respectively. Till 2022 total alumni for B. Arch, M. Arch (AC), and M. Arch. (CA) are 1440, 53, and 26 respectively.

CONSTITUTION

The following constitution was adopted by SCOA.

MEMBERS

All current and past students are inducted into the Alumni Association after filling out the form. In addition to the students, well-wishers, and supporters of SCOA may also be given membership. The Association may offer Honorary Membership to any outstanding person on the recommendation of the governing body.

MISSION

- To create a long-lasting bond between the college and its students by networking them with one another.
- To support the functioning of the “Placement Cell” in its objective of guiding present students through the help of past students holding positions in various industries.
- To grant scholarships/awards/other monetary and non-monetary assistance to deserving students.

FUTURE PLANS

- The association will organize social outings, campus activities, and regional events for alumni to get involved.
- It will also provide benefits including Career Development Services and address referrals in association with the Training and Placement Cell.
- A formal dinner/ farewell will be planned for outgoing students where they will get an opportunity to meet and mingle with their seniors as well as successful people from the industry.
