SINHGAD INSTITUTES

25 Years of Academic Excellence

The Sinhgad Group of Educational Institutes, spread over Maharashtra have a presence to reckon with. The Group is benchmarked in every aspect. It struck its foundation in 1993 to transform the dream of its visionary architect Founder President Prof. M. N. Navale into a palpable reality. The entire Sinhgad Group has convincingly evolved, into the most sought after education destination. Every Institute is duly accredited by NBA, approved by AICTE and affiliated to Savitribai Phule Pune University. Its Smt. Kashibai Navale Medical College subscribes to the code of the IMC. Every Institute has an Independent presence with enviable state-of-the-art infrastructure and all the facilities and resources, to label it an ideal place for learning. Invariably every campus has an impressive Research Centre and extensively stocked Library. It Comprises Institutes in its fold, run by capable and qualified resource people, drawn from various disciplines. The entire Sinhgad Educational conglomerate continues in its search for excellence.

VISION

Our Vision is to empower every learner at STES with quality education for a successful career path. We commit to make our Value based quality Education Benchmark beyond Emulation. Our endeavor is to continually improve all aspects of life we operate in into a worthwhile tomorrow. Our Vision is our action and our task our Mission.

MISSION

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system and transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve & share knowledge for developing a vibrant society.

SINHGAD COLLEGE OF ARCHITECTURE

SINHGAD COLLEGE OF ARCHITECTURE

Sinhgad College of Architecture was established in 2000 with the objective of bringing forth the best education and to create architects who can take up the task of visualizing and designing humane habitat with confidence and integrity. The college is situated in the self-contained campus on a scenic and tranquil hillock in Pune city, the right ambience for learning, to stimulate the brain and groom talent. Independent spacious building of the institute provide all academic resources & facilities. Post Graduate Programmes of Architectural Conservation and Computer Applications started in 2006 and 2007 respectively. There is also a Phd center approved by the SPPU.

SELF SUFFICIENT CAMPUS

- Central Library 24X7
- Hostel for girls & boys, Staff quarters
- Mess, canteens, food joints, stores, laundry, clinics,
- Indoor & outdoor Sports facilities: swimming pool, cricket & football grounds, badminton court, gym, indoor sports
- Cultural center: Amphitheatre, Auditorium, Cultural center
- Nationalized Banks & Post office
- 24 hours security

PROGRAM OUTCOME (PO)

Program Outcomes (PO) (as per NBA)

Architecture Graduates will be able to:

PO 1. Architecture knowledge: Apply the knowledge of Basic Design principles, building materials, construction technology and services, structural engineering, natural and cultural environment and other architectural specializations to design and supervise to execute buildings.

PO 2. Problem analysis: Identify, formulate, review research literature, and analyse complex architectural problems reaching substantiated conclusions using architectural knowledge.

PO 3. Design/development of solutions: Design solutions for complex buildings that meet the specified needs with appropriate consideration for the users' health and safety, with cultural, societal, and environmental considerations.

PO 4. Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

PO 5. Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern IT tools for design, drafting and execution of architectural projects with an understanding of the limitations.

PO 6. The architect and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional architectural practice.

PO 7. Environment and sustainability: Understand the impact of the professional architectural solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

PO 8. Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the architectural practice.

PO 9. Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

PO 10. Communication: Communicate effectively on complex architectural activities with the architectural fraternity and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO 11. Project management and finance: Demonstrate knowledge and understanding of the architecture and project management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO 12. Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

Program Specific Outcomes (PSO) (as per NBA)

At the end of the program, the student

PSO 1. Should be able to use the knowledge of Basic Design principles, natural and cultural environment, building material, construction techniques and services, structural engineering and other architectural specializations to design user and environment friendly buildings

PSO 2. Should be able to apply appropriate technical and specialized knowledge and modern software tools related to architecture to resolve real world problems

PSO 3. Should have the capacity to analyse, comprehend, design and supervise to execute buildings thus demonstrating professional ethics and concern for societal well being.

CURRICULAR IMPLEMENTATION: HIERARCHICAL APPROACH

1. **PRINCIPAL**

5 TIERS FOR B. ARCH

4 TIERS FOR M. ARCH. PRINCIPAL

2. **HOD:**

- Overall coordination for teaching, performances and attendance, examination parity with all divisions
- Comprehensive Academic schedule Semester wise
- Implementation & Monitoring of teaching-learning
- Reporting & actions taken for evaluation, remedial measures

3. **DIVISION COORDINATOR: (FOR B.ARCH)**

- Overall coordination for teaching, performances and attendance, examination parity with other divisions
- Implementation & Monitoring of teaching-learning
- Reporting in Quarter meetings
- Actions taken for evaluation, remedial measures
- Monitoring Site Visits, Guest lectures, workshops, study Tours

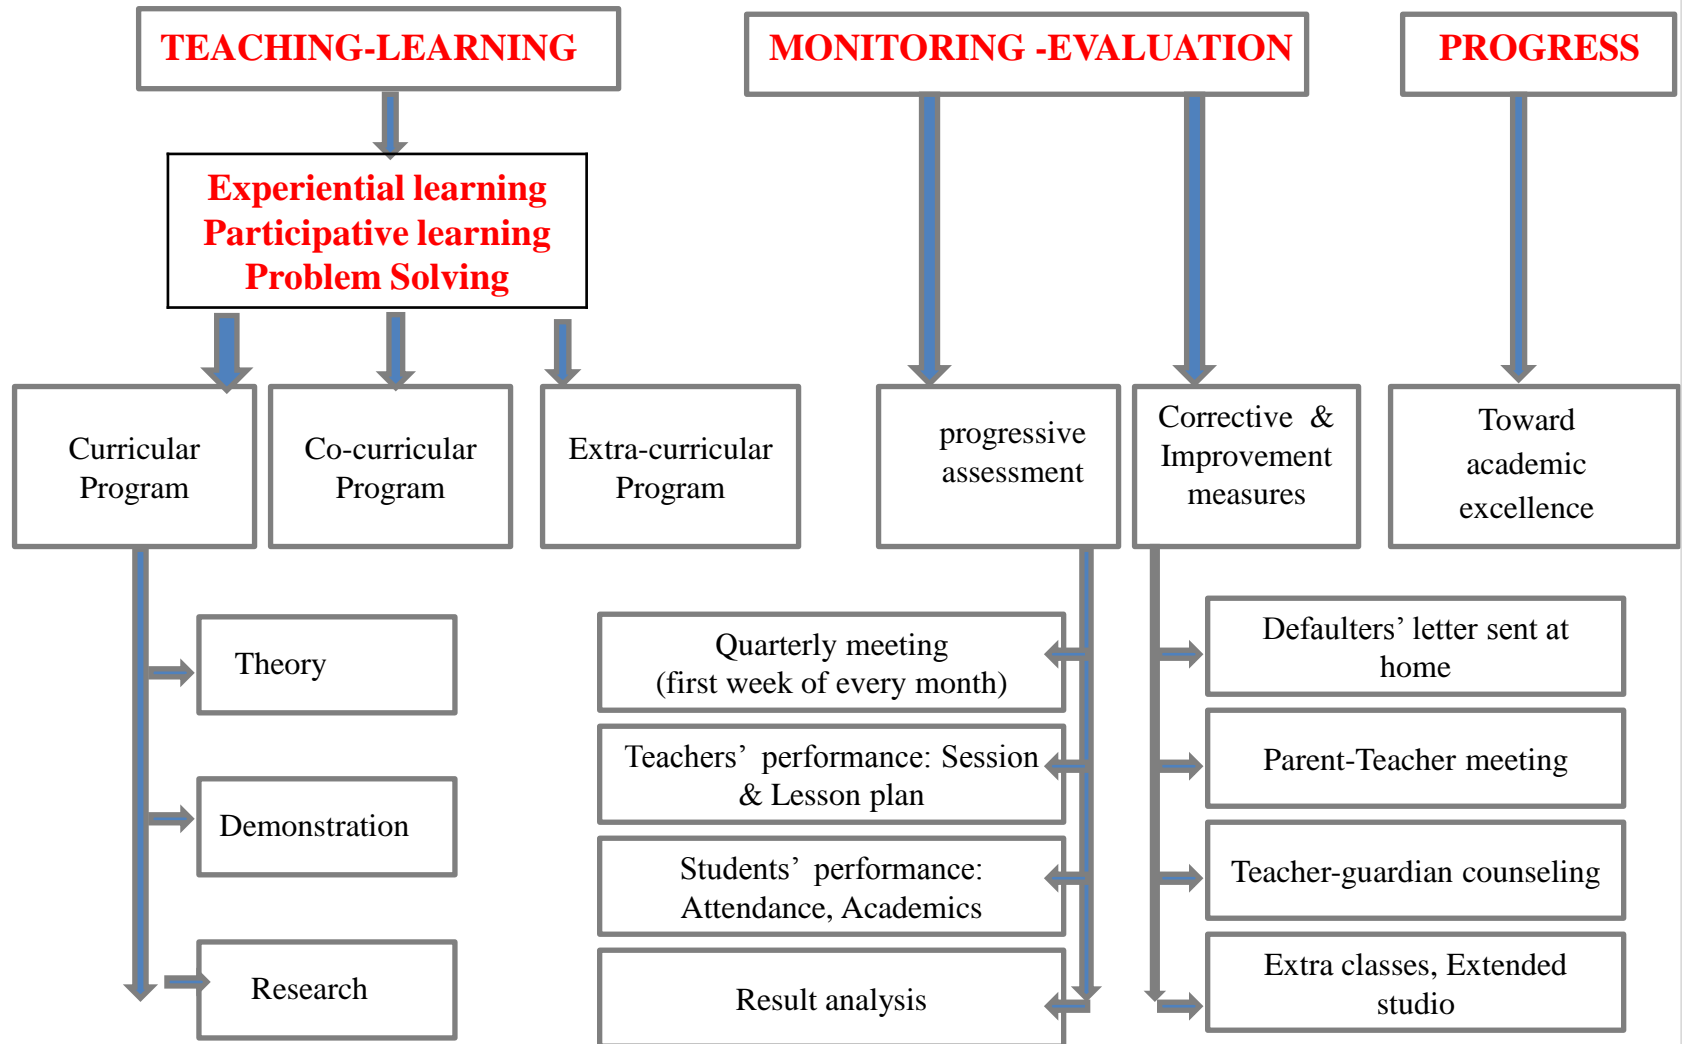

4. **YEAR COORDINATOR:**

- Academic schedule Semester wise
- Records of attendance & academic performances
- Coordination Quarter meetings: attendance, teaching, defaulter list
- Coordination of Site Visits, guest lectures, study Tours

5. **SUBJECT COORDINATOR:**

- Coordination of subject wise semester Plan
- Records of attendance & academic performances
- Implementation of Syllabus & duty of examiner
- Lesson Plan, Session Plan, notes, AV presentation
- Experimentation: Lab/ Workshop , Site Visits, Industrial visit, Services lab visit, Guest lectures, study Tours

CURRICULAR DELIVERY FRAMEWORK

Student-centric methods

Experiential learning

B. Arch

Site sensitive design

Progressively bigger scale and complexities

I Year: Settlement study

II Year: Single functional building

III year: Campus design

IV year: multi-functional buildings in urban context

V year: Individual project

I, II, III Year Study tour compulsory

M. Arch

Projects as per need in real site

Participative learning

B. Arch

Interactive learning

Site: socio-cultural issues

Experts: Guest lectures

Practical experience: training in various Architectural firm

M. Arch

Interaction in site

Joint studio

Internship

Problem Solving

B. Arch

Research projects:

Students: Many current and critical issues are explored

Teachers: Research Papers are presented in seminar and workshops & published on various critical topics

SETTLEMENT STUDY TOUR REPORT

AIM : To study the settlement, lifestyle, vernacular architecture, local materials and document historical structures

OUTCOME : To design at Amba, Kolhapur

The students of First Year D visited Amba in Kolhapur district for their settlement study. A cluster of 20-25 houses of 'Guravgalli' was selected for studying various aspects of the settlement. Groups were formed to study activities, lifestyle and how it affected the houses, also climate and topography and how it affected the materials and the design of their houses. Plan, elevation and section of the three major houses were documented with details of building style, technology and materials used. Villagers were interviewed, for getting information and understanding their views about the settlement, and their daily routine of the people and the activities in and around the village were mapped to understand lifestyle.

The image displays two architectural drawings of a building layout, likely for a school or institutional building.

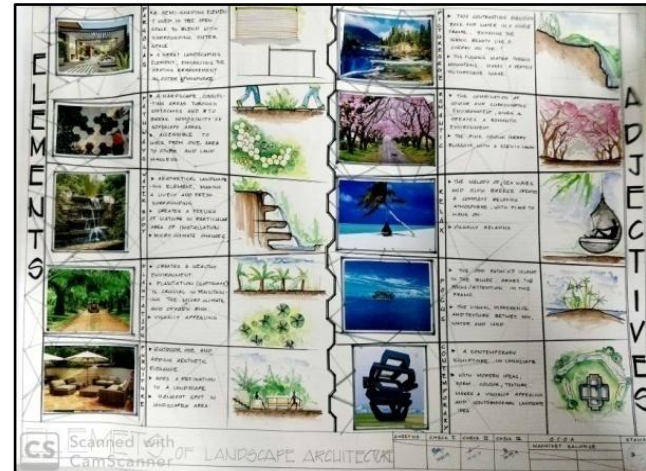

SECTION AN 1/50: This is a cross-section drawing showing the interior of the building. It features a series of columns supporting a roof structure. The drawing includes labels for various components such as "ROOF", "WALL", "FLOOR", and "CEILING". It also shows the exterior wall and roofline.

PLAN 1/50: This is a floor plan drawing showing the layout of the building. It includes a central corridor and several rooms. The drawing is labeled with dimensions and room names, including "CLASS ROOM", "OFFICE", "STORAGE", and "ENTRY". It also shows the exterior wall and roofline.

The drawings are presented on a grid background, with dimensions and labels in both English and Hindi. The overall style is that of a technical architectural drawing.

Ar. Shreyas Paranjape, an alumni and now an assistant professor at Sinhgad College of Architecture, won the prestigious PCERF award for his M.Arch thesis on Conservation proposal for land fort of Paranda in Marathwada region of Maharashtra.

His thesis project was also shortlisted at NIASA, Council Of Architecture's national level competition for M. Arch. thesis students.

COLLEGE EVENTS: EXOTIC

Exotic

The annual event Exotic was arranged through a theme based performance competition amongst Second to Fourth Year B. Arch students. They interpreted various civilizations through creative cultural performances on 23.8.19. The themes were 2nd yr A - Chinese civilization, 3rd yr A – England, 4th yr A – Punjab, 2nd yr B - Roman civilization, 3rd yr B – Iran, 4th yr B – Maharashtra, 2nd yr C - Egyptian civilization, 3rd yr C – Japan, 4th yr C – Kerala, 2nd yr D - Greek civilization, 3rd yr D – France, 4th yr D – Rajasthan. The winners were declared at the end of the program by the esteem judges and prizes would be awarded on annual prize distribution ceremony.

COLLEGE EVENTS: EXHIBITION

EXHIBITION DAY & PRIZE DISTRIBUTION CEREMONY

The Annual Exhibition of **SCOA Vision 2050** was held on 16th of January, 2020. The chief guest Ar. Ravi Gadre and the Guest of Honour Ar. Vikram Hundekar inaugurated the event. The guests took a tour of the entire exhibition. Each division of B. Arch. was given a theme to interpret, namely, Architecture, Technology, Ecology and Cities for their respective floors and Division D won third time in a row.

A **photography competition** was held on the same day on 'ENVIRONMENT*' theme (it would be social, natural, cultural environment) by student Photography Coordinators Shrutika Ningune and Shreyas Kodre. The winners were announced by the guests.

The guests enriched students and faculty by presentation of their works. Ar. Gadre talked about holistic approach of design and Ar. Hundekar talked about institutional buildings designed by his office from play school to IIT Gandhinagar.

The event was followed by **prize distribution ceremony**, academic and co & extra-curricular prizes were awarded to students at the hands of both guests.

INSTITUTIONAL POLICY

Swami Vivekananda believed education is the manifestation of perfection already exists in human. We do consider that education system should not be mere collection of information, rather needs to be human-making to enable students to be aware of self and the real world. Education refers to a wide spectrum of activities where students avail opportunities to develop their abilities in a holistic manner to develop generic skills, application skills, soft skills or life skills.

We have prepared an enriched and blended teaching-learning strategy for holistic development of learners in a conducive academic environment where expert educators would prepare learners for life to make them socially, intellectually and emotionally tolerant and sensitive. In accordance with our vision and mission, policy for teaching-learning focuses on following quality assurance outcome-based education system towards making of multidisciplinary knowledge hub as recommended for single institute knowledge-cluster as recommended in the National Education Policy 2020:

1. Conducive Academic Environment:

- State-of the art physical infrastructure
- innovative, transparent, balanced, collaborative work culture and leadership skills
- to learn, demonstrate and progress
- employability and self-entrepreneurship

2. Academic Excellence

- Competent faculty
- experiential, participative and problem-solving teaching-learning system
- analytical thinking, critical reasoning, research experiences
- rational, appropriate and continuous evaluation
- feedback for concurrent quality enhancement
- associations and collaborations for exchange of ideas, knowledge and skills

3. Holistic Development of the students:

- co-curricular, extra-curricular, social activities

4. Ethics and Values

- committed to inculcate a Value System among Students
- academic programmes, institutional management practices and in co-curricular and extra-curricular activities

5. Social Responsibility:

- to experience 'real world' challenges associating with social welfare activities in building the nation

IQAC MEETINGS

IQAC meeting

Post NAAC accreditation IQAC meetings are regularly conducted for development of strategy to enhance quality of education in the college. The meeting was held on 26.12.19.

IQAC meeting

The meeting was held on 13.3.20

FACULTY & STAFF DEVELOPMENT POLICY

FACULTY & STAFF APPRAISAL PROCESS

Annual Appraisal

Base for Continuation of service, promotion of post and Increment in salary by the management for both teaching and non-teaching staff

Hierarchical system:

- Self-Appraisal of staff
- HOD (for teaching) / Asst. Registrar (for Non-teaching)
- Principal
- Management HRD Section

Both Paper-based form & online system

Appraisal criterion as

Faculty:

- Experience & qualifications as per norms
- Students' feedback
- Research contribution & skill up-gradation
- Involvement in organizational work

Supporting Staff

- Continuous education / skill up-gradation
- Behavioral aspects
- Regularity and punctuality
- Supervisors feedback

WELFARE & EMPOWERMENT OF STAFF

Benefits

Sixth pay scale salary & DA as per norms
Timely promotions for the eligible and deserving candidates

Empowerment

Provision for Qualification Improvement: encourage to pursue higher studies
Motivation to faculty for Quality improvement /Teacher's Training programs
Providing duty leaves for attending workshops, seminars and conferences

Welfare

Provident Fund for Non-teaching staff
Group Insurance Scheme (GIS)
Employee Mutual Benevolent Fund (EMBF)
Accidental Insurance

Paid Maternity leave for six months, extended maternity leave

Earned leaves for non-teaching staff
70 days Summer and Winter vacation for faculty

Accommodation facility for faculty & staff in campus
Free Medical & Dental facilities at STES hospital
Free Ambulance facility of 24 hours inside campus

T-Shirt Painting workshop

COLLEGE EVENTS: FRESHERS' WELCOME

Oath ceremony

Exotic

First Year B Arch Freshers' welcome Program

Held on 5th September 2019

The program commenced with

Oath Ceremony

Exotic

major attraction of the day, a theme based cultural performance and competition amongst divisions called 'Exotic' was organized

Students interpreted themes through creative performances on seasons as:

A div : summer, B div : monsoon, C div : winter, D div : spring. The winning team was declared and would be awarded on annual prize distribution day.

The program concluded with refreshment for all students and faculty.

Architecture Oath,

Architecture is my chosen profession and I am aware of the significant contribution of the architectural fraternity in shaping the human habitat throughout the world.
I am proud to join this exclusive community of professionals and undertake to ensure:
That my professional activities shall not conflict with my general responsibility to contribute to the quality of the environment and future welfare of society.
That I shall apply my skills to the creative, responsible and economic development of my country.
That as an architect I shall strive to provide professional services of a high standard, to the best of my ability.
That as an architect I shall maintain a high standard of integrity.
That I shall conduct myself in a manner which does not bring the fraternity of architects & students of architecture into disrepute.
That as a student I shall recognize and respect the contribution of my teachers and my institute in shaping my career as an architect.
I promise to abide by this oath throughout my future career as an architect.

GRADUATION CEREMONY

STES Graduation Ceremony

It was organised for all Sinhgad Institutes on 6.2.20. Dr. Sarjerao B. Nimse, Ex-Vice Chancellor of Swami Ramanad Teerth Marathawada University, Nanded was the Chief Guest and Mr. Sandeep Rane, Vice-President of Cognizant Technology Solutions, Pune was the Guest of Honour. Prof. M N Navale and Dr. (Mrs.) Sunanda M Navale graced the event.

SCOA Graduation Ceremony

The 15th batch of 2018-19 B. Arch. graduates of SCOA attended the ceremony. They received Degree Certificates of SPPU at the hands of their respective division Coordinators. All four division coordinators and HOD addressed the alumni.

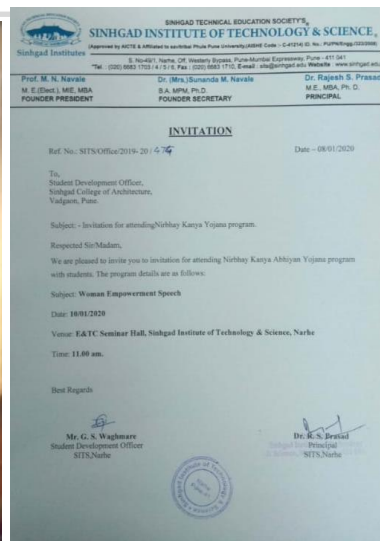

GRADUATION CEREMONY

SCOA Farewell Program

The 15th batch of 2018-19 B. Arch. and also M. Arch. graduates of SCOA attended the farewell program organized by Susamwad student' committee. Everyone was given with class photo of respective class as memento at the hands of HODs and B. Arch. division coordinators. STUDENTS CONTRIBUTION DURING PANDEMIC & LOCKDOWN

Outbreak of COVID 19 resulted an unprecedented global crisis for mankind. Lockdown (23.3.20) was declared when everyone had to be at home. Students kept themselves busy by making masks and distributed to the people around them and made various utilitarian items. The students of various classes made film, song album for awareness of COVID 19, and posted in YouTube, Facebook social media.

STES'S CONTRIBUTION DURING PANDEMIC

Outbreak of COVID 19 resulted an unprecedented global crisis for mankind. Sinhgad Technical Education Society leader Prof. M N Navale came forward to open a

1. COVID wing in Kashibai Navale medical college and hospital and extended full-hearted support to the government by allowing
2. converted Hostels to Quarantine center at the Vadgaon campus.

The service for the society during crisis surely made Sinhgad family proud.
