Address by Dr. Banani Banerjee, Principal about workshop

Seminar Description:

The NEP 2020 offers several possibilities for bringing in the desired aspects in the curriculum of architecture so as to produce a creative, multidisciplinary and highly skilled workforce capable of rising up to the challenges of the profession.

Architectural education since its initiation in our country has been multi-disciplinary, amalgamating quite a few parallel and lateral fields into its fold, making it more versatile and holistic.

SEMINAR 2022 - 2023

Name of the event: Ethos presentation for all 2nd Year students

Date and day of the event: 28th September 2022, Tuesday

Poster of the Event

Students' Presentations photos

Seminar Description:

The presentation was for students understand about Ethos transparence competition. Transparence 17.0 marks the 17th edition of India's biggest architectural competition. India's largest Architectural Design Competition for aspiring architects and designers is here in its 17th edition. A property of Saint-Gobain India Private Limited – Glass Business in association with Ethos, Transparence has always been the most looked-forward-to event by the budding architectural community for the opportunity it presents and the platform it offers like no other. Over the years, it has been the single biggest convergence of the best brains in the architecture and design fraternity mentoring the most promising and potential talent, together architecting the future of our country's architecture and design landscape.
