ACTION TAKEN REPORT FOR IQAC MEETING

Ref: IQAC meeting held on 26.12.2019

Actions taken report of IQAC meeting on strategies, function, benefit.

I. CURRICULUM

- Regarding curriculum aspect, IIT spoken tutorials are available. Students and faculty to be encouraged to join NPTEL courses.

Action: Lecture by Dr. Amita Pradhan was conducted to introduce faculty to MOOC courses. College is registered as local chapter for NPTEL.

- Faculty lectures can be documented in soft format (videos and PPTs) for further reference and improvements.

Action: Guidance session by Professors were conducted, attended by all faculty members.

- Teacher- Guardian booklet should have the details of extra lectures (remedial) conducted for specific students.

Action: Revision of format is done.

II. RECOGNITION OF STUDENTS

- Design competition can be conducted in the college to encourage industrial exposure.

Action: Intercollege model making competition was conducted by SCOA.

III. ALUMNI

- Placement cell, creating placement opportunities for the students should be encouraged. Alumni can be invited for the same, tap and invite big firms. With coordination of practicing architects, students should be given opportunity to work on live projects.

Action: Alumni are contacted for guest lecture jury and interaction sessions. Appeal and encourage students to register for professional bodies.

IV. PROFESSIONAL DEVELOPMENT /ADMINISTRATIVE TRAINING PROGRAMS

- Training and Placement cell usually focus on creating a platform for students to receive jobs/ opportunities in various firms. In addition to this, the cell should focus on training students for placement. Strengthen the training process with intension of appearing for professional training. With intension to acquire soft skills, expertise in public speaking, communication efficiency etc., expertise lecture and workshop can be arranged. Regarding Professional Practice students can be made aware of various expertise in field of architecture with reference to firms/ people working for the same. This will help students to approach bigger architectural firms for internships.

Action: Eminent architects are invited as speakers and guest for exhibition inauguration.

Presentation by them followed by interaction sessions. Architects were also invited for input jury for thesis project of final year students.

V. FEEDBACK

- Detail feedback can be collected from the industry people (for students working as intern).

Action: Revision of feedback question are is in progress.
