'Sinhgad Soccer League' 2022

Established in 1993 by Founder President Prof. M. N. Navale, with unmatched foresight & vision, Sinhgad Institutes, one of the biggest education conglomerates in the region encompassing the entire gamut of academic disciplines right from Commerce, Engineering, Law, Dental and MBA to Medical; across levels from KG to PG, is renowned for excellence be it academics or sports.

Sports at Sinhgad Institutes is much more than exhibition of skill and sportsmanship. It is a celebration of moments of glory and excitement to be cherished lifelong.

'Sinhgad Soccer League' 2022 scheduled to commence from Friday, 12 August 2022, is a mega sporting event to tap the craze and excitement of youth in soccer – to build fitness and competitive spirit of the sport.

This Intra-college competition amongst Colleges of Sinhgad Institutes will witness 25 teams playing out 100 'nail biting' matches, an average of 4 scintillating matches every day at the Narhe Campus Football Ground, one of the most famous, most beautiful and best venue for football in the region. Narhe Campus itself is very beautiful and Narhe Football Ground will be an even better sight with hundreds of fans cheering their favourite teams. As each player exhibits his immense skill and tactics to score a goal, students from all walks of life, cutting across departments will cheer on their teams for each and every goal.

'Sinhgad Soccer League' 2022 promises to be full of fun, excitement and learning for the audience and players alike – a sporting event to remembered for a lifetime.

Celebrating International Day for Disaster Risk Reduction

You are cordially invited for a guest lecture on

Disaster Management : Need of the hour

Expert Speaker

Ar. Sandeep Parkhi
Architect & Urban planner

Due to the regular natural catastrophes including earthquakes, floods, and drought, disaster management has become a popular topic in India. Disaster Management not only includes response, relief and preparedness for natural calamities and man-made disasters but also accountable for legislation, policy, capacity building, prevention and mitigation.

Risk assessment and mitigation is also necessary for heritage buildings.
