**Waste Management:
Reducing use of Plastic**

Use of plastic with its pollution has become one of the most pressing environmental issues which needs to be addressed at every level. Rapid increase in production of disposable plastic products which is available at low cost overwhelms the world's ability to deal with its pollution. Plastic production along with its disposal contribute to an array of environmental and human health problems. So efforts need to be made to spread awareness among end users about consequences of high plastic usage.

Hutatma Diwas Martyrs' Day : All classes in all divisions of B.Arch

Event Description :

Hutatma Diwas **Martyrs' Day** (at the national level also known as **Sarvodaya day or Shaheed Diwas**) are days declared in India to honour recognised martyrs of the nation. Martyrs' Day is recognised nationally on the 30 January to mark the assassination of Mahatma Gandhi in 1948, by Nathuram Godse. On Martyrs' Day the President, the Vice President, the Prime Minister, the Defence Minister, the Chief of Defence Staff and the three Service Chiefs gather at the samadhi at Raj Ghat memorial and lay wreaths decorated with multi-colour flowers. The armed forces' personnel blow bugles, sounding the Last Post. The inter-services contingent reverse arms as a mark of respect. A two-minute silence in memory of Indian martyrs is observed throughout the country at 11 am. Participants hold all-religion prayers and sing tributes.

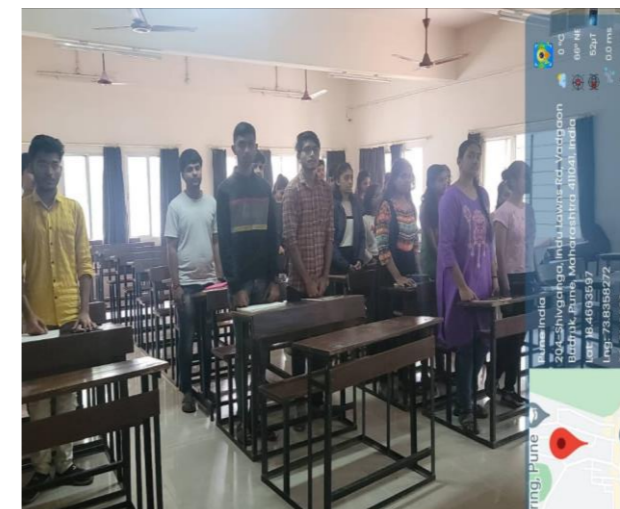

We, at SCOA, Pune, also paid our tribute to these martyrs by keeping silence for a couple of minutes from 11.00 am to 11.02 am on the given day.
