

FACILITIES/ INFRASTRUCTURES 2022 – 2023

2.2.3 INFRASTRUCTURE | SCOA FACILITIES | LABORATORIES

We have different laboratories enlisted as Model making, Material museum, Survey levelling, Environment, Workshop and carpentry, language lab for B.Arch. and Conservation lab, digital fab lab for M. Arch students. Students, thus get an exposure of handling, use of instruments/equipment even before they actually step into their profession.
