Human Values and Professional Ethics

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

A Lecture was conducted by the master's department on the "**constitution of India**" for the students of masters degree. This lecture made the students aware of their rights, duties and responsibilities of being citizen of India. It being also a part of the curriculum now is a benefit to spread awareness about their duties and rights. The lecture was a series of modules by different experts.

Anti plagiarism software available for students to practice ethical research and technical writing. Students are made aware of the ethics in research writing. An orientation program about the same was conducted by the librarian and team for the students and faculties.

Oath ceremony: This ceremony is carried out for the first year students when they get enrolled for the course. They take the oath of being integrated towards their profession and follow the practice of architecture ethically. It's a practice of the institute, this year in spite of being online classes the oath ceremony was carried out. Online students took the oath and prepared the charts as instructed for the same.

Tree plantation drive: To spread awareness of importance of tree plantation and follow green practices this event is conducted every year. This year also the event was conducted with less number of participants due to pandemic situation.
 The details of each event have been attached.
