

Principal  
SCOA, Vadgaon Campus

### **Message from Principal**

Sinhgad College of Architecture is one of the leading institutes in the city offering quality education in architecture at undergraduate and post-graduate levels since its inception since 2000. The college is situated in a self-contained campus with all facilities on the scenic hillock, ideal setting for intellectual and personality development of young minds. SCOA has established a solid reputation for its modern, critical, and socially conscious approach to architectural education. We take pride of our competent and dynamic faculty, imparting architectural education in accordance with our vision of creating sensible and responsible architects for the society. Our Alumni serve as a living example of the system's meticulous nurturing to develop into contributing members of society.
